

Solar Lead Supply – Cape Town

SolarInstallersCapeTown.com

What this is:

We generate real-time solar installation enquiries from homeowners and businesses in Cape Town via paid advertising and an optimized lead funnel. Installers can purchase qualified leads without managing ads or marketing infrastructure.

What each lead includes:

- Client name and surname
- Phone number and email address
- Suburb / location
- Property type (Residential or Commercial)
- Business name (for commercial enquiries)
- Estimated investment range (optional field)
- Explicit request for a solar installation quote

How leads are delivered:

Leads are delivered immediately via WhatsApp or email once payment is received. Leads are time-sensitive and provided on a first-paid basis.

Current Pricing:

Lead Type	Price	Delivery
Residential Lead (Exclusive)	R250	Sent to one installer only
Commercial Lead (Exclusive)	R500	Sent to one installer only

Getting started:

Installers can start with one paid test lead to assess quality. There is no minimum commitment. This is a pay-per-lead model designed to reduce your acquisition cost and save time.

**We are willing to negotiate different terms such as a commissions on sale based approach.*
